### *A Winter Sky*

*Behind Our Back The Golden Woods  
Held The Gold Of A Great Season  
As We Lay On The Shore Of The Woods  
And Watched The Long Afternoon  
Dying In Golden Light In The Woods.*

*Before Us The Brown Marsh  
Brought The Dark Water, Dry Grass,  
Cattails, Waste Of The Close-Cropped Marsh,  
And The Hunters' Blinds Were Watching  
For Traffic On The Blinded Marsh.*

*It Had Been A Long, Beautiful Fall  
And As We Sat On The Shore Remembering  
The Season Behind Us, The Golden Fall,  
One Of Us Said To The Other  
There May Never Be An End To Fall.*

The 1991 men's soccer season with captains Mark Bodwell and Eric Breemen, started out with high expectations after a 3-1-1 start. A rash of serious injuries turned it into a disappointing season. Although the injuries were devastating, the young players did gain valuable experience which will be beneficial to the club in the future. The offensive output was spread out among several players while the defense was anchored by goalie Jon Zaffino. The team will only lose one starter from the 1991 team. Despite the record, the team worked hard while sticking together and remaining close.

The 1991 season was a successful one for our women's soccer team. We gained new talent and had the depth of strong returnees. Our five starting seniors were Maureen Hanna, Janet Rigazio, Julie Dzigas, Beth Gray, and Maryellen Voegt. We send a special thanks to all the other 1992 graduates who started with us.

Through Coach Azzie's practice and enthusiasm we accomplished a 8-8-2 record. The 1991 season was a special year of friendships and triumph.

Let the legacy live on.

# Field

# Hockey

Led by tri-captains Tanya Krasnigor, Anne Flynn, Betsy Walters, and head coach Anne Adams, the SMC field hockey team finished their 1991 regular season with a record of 14-1-2. They had a post season record of 15-2-2, the best finish in the seventeen year history of the program. The Lady Knights completely dominated their opposition this season. Opening the season with a 2-2 tie against Division I opponent and rival UVM, SMC rolled through a fifteen game unbeaten streak.

The team had a few close games that may have ended their streak early. Sue Flemming scored the tying goal against U. Maine Farmington with just seven seconds remaining, allowing SMC to win 6-3. Mendy Spillane scored all three goals against St. Lawrence in the second half to tie the game. The "streak" came to a disappointing end against Elms College, where the team suffered their first and only loss of the regular season. For four weeks, the field hockey team held a third place standing in New England. However, the loss to Elms resulted in a drop to a final standing of sixth place. The Knights made it to the ECAC's series but could not beat Willaims College.

It was an intense season for the SMC field hockey team. They outscored their opponents 56-13, outshot them 508-212, allowed an average of .95 goals per game, scored 3.23 per game, and shot out the opposition ten times.

The SMC field hockey team would like to give special thanks to their loyal fans, especially parents and coaches Anne, Karen, and Caroline. Their dedication and support led them through an incredible and memorable season.

The women's and men's cross-country teams both finished in third and fourth places respectively at the NE-10 Championships held at Bryant College. Although many members of both teams this year were new to the collegiate running experience, both matured to an impressive level. Both teams also had excellent showings at the Eastern Division II Championships and ECAC meet. There were some injuries on both teams but the 1991-1992 season was a successful one. The women's team, coached by Margaret DiMasi, was captained by senior Kathy Shevlin. The men's team, coached by Zafir Bludevich, was captained by John Golden.

Kathy Shevlin and Brian Turner were top scorers and voted MVP's on this year's team. First year runners Erin Smyth and Steve Crafts were awarded 'Rookie of the Year' for their outstanding performances. Seniors Mike Monahan, John Golden, and Kathy Shevlin will be missed by all next year. No one will ever forget what a second family the Cross-Country team was for them. Members of both teams would like to thank Steve Dowd, SMC ('73) for joining the coaching staff and becoming a part of our family.

The SMC women's volleyball team took a second step up in their level of competition in three years and responded by setting several new school records. Although the final match record was 13-15 overall and 4-4 in the NE-10 Conference, the Lady Knights posted first-ever victories over Division I Dartmouth and regional powers AIC, Stonehill, and Sacred Heart. "The difficulty of our schedule can be punctuated by stating that we played five Division I matches and competed twelve times against teams ranked in the top ten in the North East region," said Lori Burnell, senior team captain.

Beside breaking six team records in the 1991 season, ten individual records were surpassed with kudos going to Kim Galvin, Kim Beatty, Megan Gately, Kim Kieffer and Jess Allan. In tournament play, Kim Beatty and Jess Allan were selected to the All-Tournament team. Kim Beatty was the second player in SMC history to earn the honor of NE-10 All-Conference by her second team selection. "The 1991 season was the most exciting and rewarding in my five years. "It is easy to have fun and be successful when you are surrounded by good people and great athletes," said coach, Lenn Johns.

Although the Saint Michael's women's tennis team had a rough season with a record of 3-9, they hope to come back strong next year. They will be losing three seniors: Tabatha Small, Kelly Newman, and Kelly Meehan to graduation but they will be gaining new strength through incoming freshmen. On any day, the team members could be counted on to play almost any position which proved that they could wear many hats. Their coach, Larry Bayle, was very energetic and rarely ran out of gas. Even though they had nine losses, five of these came within one match. Next year they hope to see more success.

# Tennis

One of the biggest collegiate success stories for 1991-92 has been the Men's Tennis team. Rob Woodman '93 was a great leader for the Knights all season and played well at the #1 singles and doubles. The team's real singles strength was #2 Ben Wynn '94 and #4 Kevin Birch '93. They both posted a 7-1 singles record. The team also had an impressive 20-5 overall in doubles play this season. This was the second consecutive winning season for the Knights, an accomplishment that has not happened since 1980-82. They have not had a winning percentage like this since going 10-2 in 1980-81 (eleven years ago!). Head Coach Shaw will have his entire roster returning next season.

# RUGBY

In its first season as a full member of the New England Rugby Football Union, the rugby club finished with a 2-4 record. Throughout the year the team was coached by Prof. Doug Facey and Dave Senease. Their guidance helped the team to a 16-0 victory in the home opener against Keene State. This victory highlighted the season, as the whole team came together to play its best game.

The season concluded on a disappointing loss to Clark University in late October. Although the team did not play up to their potential in the game, it left an inspiring note on which to build next year.

The Softball Team has made improvements this season. The Lady Knights beat Bryant 4-1 for their first ever Northeast 10 Conference win. Christine Cole '95 was a major factor for the Knights this season, both at the plate and on the mound. She hit a team high .335, and is the team #1 pitcher. She had both victories, a SMC-record 43 strikeouts, and a 4.71 e.r.a. She is among the Conference's leaders in triples and pitching strikeouts, and was among the nation's best in triples for most of the season. Dwight Thomas '95 (.400) is the only other Knight that hit .300 or better. Paula Mannering '95 was within a striking distance at .280. Kathleen Cleary '92 was among the NE-10's top base stealers again this season and was also ranked nationally in steals for most of the season.

# GOLF

This year's SMC golf team consisted of team captains, senior, Phil "Boomer" Leiss and junior, Tony "Longball" Keane. They experienced a rebuilding year with help from sophomore, Keith "Always-Cool" Micavich, junior, Roy "Smokin'" Hathorn, sophomore, Randy Travis Wigger, and freshman sensation, Mike Kang. Highlights from this past season were Leiss capturing of the Goss State Individual Tournament and Keane's exceptional performance at New England's toughest course, New Seabury. The team looks forward to another rebuilding season due to the loss of "Boomer" Leiss.

# ICE HOCKEY DiMasi Gets 100th Victory

*Team Members-(alphabetical)* John Acunto, Jason Andreula, John Bell, Joseph Beukers, Brendan Callahan, Brendan Collins, Matthew Devost, Jed Dousevicz, Matthew Gill, Steve Heney, Richard Jacobus, Chris Loche, George May, Peter Mullen, Mark Needleman, Brian Pear, Dan Rozell, Michael Smith, James Strouse, Adam Wansiewicz, Kurt Zellen, Tom Ambrose, David Becker, Dave Berry, Quinn Botthof, Glen Camire, Cliff Cushman, Patrick Dougherty, Mark Fitzgerald, David Gillis, William Heney, Mike Houdlette, Brendan Kelleher, Sean McDaniel, Peter Mongeau, Brian Murphy, Andrei Neuhaus, Doug Orciani, Jeff Rouleau, Derek Rynne, Erik Steverman, Joel Taplin, John Umile, Harry Wellens

The Ice Knights started off the 1991-1992 season strong, jumping out to a 3 and 0 record. Much of this early success can be attributed to the steady play of the eight seniors on the team combined with the surprising play of four freshmen in the line-up.

The Knights' winning streak however, was halted by an equally long losing streak in which the team lost three very close games. They did rebound though to win four of their next six games to finish the first semester with a record of 7 and 5.

The second semester began with a tough 5-4 loss to Curry in overtime. The team was able to recover from that loss with a 7-2 victory over Quinnipiac the following week.

Then, with a record of 8 and 6, the Ice Knights hit their low point of their season. It started with an 11-4 loss to Suffolk (one of only two games the Ice Knights lost by more than two goals) and continued for two more games as the team lost close games to league-leading Assumption and Plymouth State. Yet once again the Ice Knights were able to recover from this set back putting together a three game winning streak in which the team played its best hockey of the year. First, the team rallied from a 3-0 deficit to beat Stonehill. Then the Knights avenged an early season 5-2 loss to N.H.C. by convincingly shutting out the Penmen 5-0 on February 12. The Ice Knights then travelled the long road to Maine and dominated the Huskies of Southern Maine in an impressive 5-3 victory.

Fatigue and a tough schedule finally caught up with the Knights the next day as they fell just short of tying Fairfield in the final seconds of their second game in less than twenty-four hours. Even though the Ice Knights were disappointed by another close loss and finally knocked out of the playoffs, the team could be proud of its efforts and some of the big victories they did enjoy this season.

The Ice Knights should also be proud of some of the individual achievements that occurred this year. Brendan Callahan set six school scoring records. In one eight game stretch he scored seventeen goals. Brendan ended up with forty-eight points this season and was named as an ECAC second team all-star. Callahan also got some help from his linemates, Joe Beukers and Steve Heney. As a forward line, this trio combined for over one hundred points in the twenty-two game season. Goaltender, Bill Heney, also had a great season. He broke many school records, he recorded a 5-0 shutout against N.H.C. on February 12, and was named as a first team ECAC all-star. Junior defenseman, Brian Murphy, broke two school records. Last but not least, Coach, Lou DiMasi, recorded his 100th victory as the head coach of the Ice Knights with the 5-3 win over Skidmore on December 4.

## Basketball

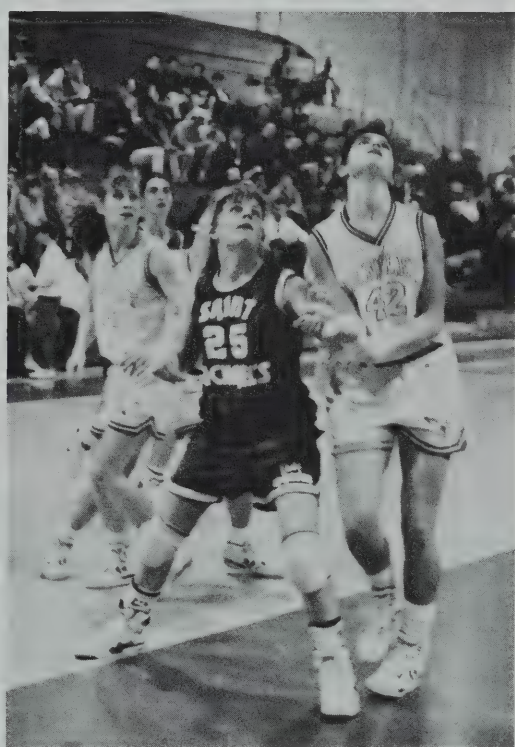

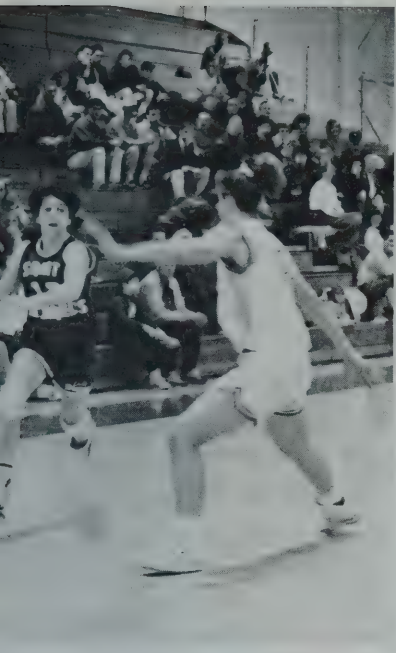

It was another successful year for the Women's Basketball Team, as the program posted its fourth straight winning record (17-13); finished third in the Northeast-10 Conference (11-7) for the third straight season (behind national powers Bentley and Stonehill); and advanced to the Northeast-10 Final Four for the second time in the last three years. With all of the team's success came several individual achievements. Amy Molina '93 led the team in scoring for the third consecutive year, and shattered the College's records for most points in a season (record was 465, her total was 544) and in a career (record was 1,361, her total is 1,401 with another season of play!) The MVP of the SMC Holiday Invitational, Amy was named the NE-10's Player of the Week twice, and to the Conference honor roll four times. A three-time member of the ECAC Honor Roll, she was among the NE-10's top 10 in three different categories. Amy was named both a pre-season Conference All-Star, and to the All-Conference, First Team. She was also a Kodak All-America, honorable mention. Karen Monahan '92 had a dream-like senior season. It all started when she was named to the first-ever All-Conference Academic First Team. The only women's basketball player to be named the NE-10's Player of the Week three times, she was also a three-time member of the weekly NE-10 and ECAC honor rolls. After spending the season among the NE-10's top 10 in five different categories, Karen was named All-Conference First Team. At the close of the season, she was named both a CoSIDA Academic All-America, District I, and a Kodak All-America, honorable mention. Sarah Turkington '92 was also a pre-season Conference All-Star, and became the eighth player in Lady Knight history to break the 1,000-point barrier. She finished her career #6 on the all-time scorer's list with 1,063, and #2 on the all-time rebounding list with 950. Liane Gagnon '92 rounded out the outstanding Lady Knight Class of 1992 by also being selected to the first-ever NE-10 Academic All-Conference team.

Traditionally one of SMC's strongest athletic programs, the Alpine and Nordic Ski Teams enjoyed more success this winter, wrapping up their season with a combined third place finish in the New England Division II Championships. The Knights have finished no lower than fourth at the Division II Title meet since the 1980-81 season—a span of 11 years! The Knights had six skiers qualify for the Division I Championships based on their outstanding performances at the Division II's (alpine: Jodi Bush '93, Lori McClallen '93, Jennifer Coan '95, and Scott Davis '95; nordic: Colleen McBrien '93, and Andy Gelinias '93). The women's alpine team, tops in New England Division II, had three skiers named All-East and succeed at the Division II's—Jennifer Coan finished 3rd in the giant slalom and 4th in the slalom, Jodi Bush finished 2nd in the GS, and Lori McClallen finished 5th in slalom. For Jodi and Lori, it was their second straight All-East selection. Men's alpine team member Scott Davis finished 5th in slalom, and was also named All-East. Women's nordic standout Colleen McBrien finished 2nd in the Division II Championships, and was the top Division II finisher at the Division I Championships. Colleen was also named All-East for the second straight year. Men's nordic skier Andy Gelinias '93 finished 5th in the Division II's picked up his second straight All-East nomination.

# MENS (and) WOMENS

The 1991-1992 St. Michael's swim season ended with a bang, despite early warnings that it may end with a crash. With a tiny squad of 8 women and 9 men, The Swim teams spent a frustrating season trying to put something into the win column.

Despite records of 4-9 and 2-11 for the men and women respectively, things were closer than they might have seemed. For example, after the loss of Tim Kinney, the men's only diver, St. Mikes gave away up to a total of 32 points each meet. In several instances, the swimming won a majority of the events they entered: the women won 7 to Clarkson's 6, then 9 to Norwich's 6, and the men won 9 to Norwich's 5, and still lost all three meets in the face of great numbers.

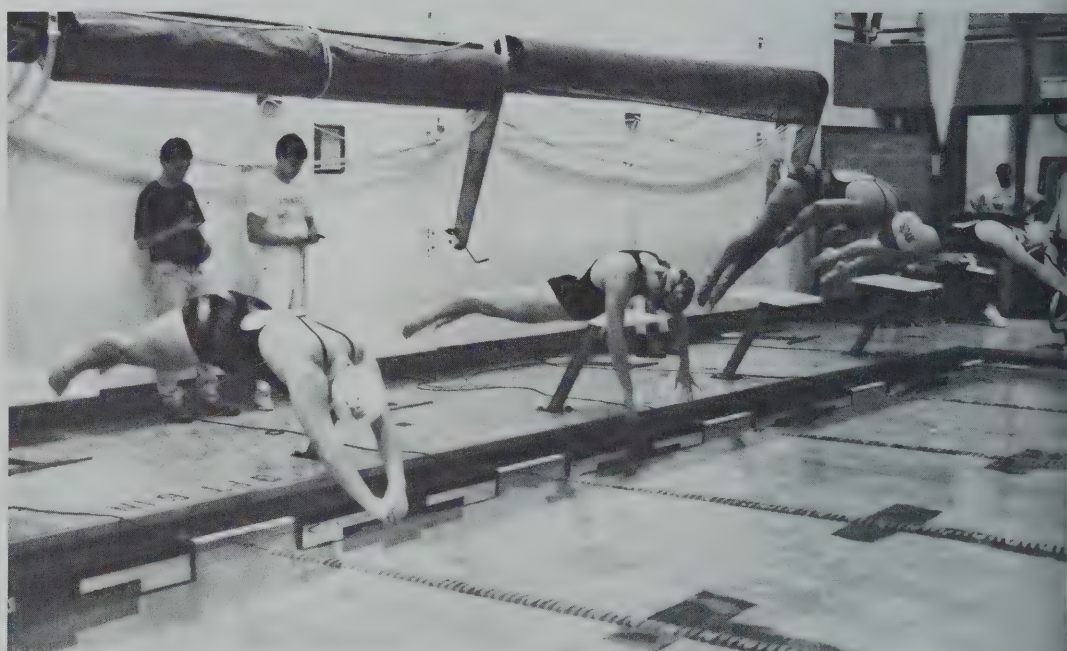

On the positive side, the men set 10 school records at Division I New Englands and the women set a total of 5 school records this season! The Women's team of Sue Fumagalli, Amy Foley, Jeanne Zadrozny, and Michelle Richards placed 14th out of 18 teams at New Englands with the team's best previous place being 13th out of 15 teams in 1990.

The Men ran a running battle at New Englands with Division I power Holy Cross and in the end trailed by only 5 points! The team of Jim Stuart, Charles Brewer, Jeremy Kane, Jim Dowd, John Swan, Mike Gavin, and Sean Stevens finished 14th and broke every relay record on the board.

At season's end, Jeanne Zadrozny and Jeremy Kane won the team High-point Awards. Amy Foley and Mike Gavin won the MVP's and Michelle

# LACROSSE

Men's Lacrosse has regained its prominent reputation of success in New England this season. Head coach Jim Barry's team posted an outstanding overall record of 8-3 this spring, ending a two-year span of losing seasons. In fact, the 8-3 record is the Knight's best since they went 9-2 in 1987! The amazing Rick Saba '92 had one of the most prolific scoring seasons in the program's history, leading the team with 39 goals and 21 assists (60 points). His 39 goals set a new SMC record for scores in a season, and his 60 points was just three short of breaking the season's point record. He graduates as the #2 all-time scorer in lacrosse, with 109 goals, and 61 assists for 170 points. He is only the second player to break the 100-goal barrier here at SMC. Just behind Rick was freshman phenom Matt Pagen, who tallied 36 goals and 22 assists for 58 points. Matt's production was the best-ever for a SMC freshman. Kurt Dillmeir '93 was third in scoring, with 14 goals and 11 assists (25 points). Anthony Costello '95 (15-5-20) and Jeff Nicolo '92 (13-7-20) tied for fourth. Jeff finished his great career with 59 career points (43 goals, 16 assists), which places him #9 on the all-time scorer's list. Goalkeeper Steve Andrews '92 did a great job in the SMC net, posting a goals against average of 9.5 and a save percentage of 59.7%. With 471 career saves, he graduates holding six SMC goaltending records.

## Lacrosse

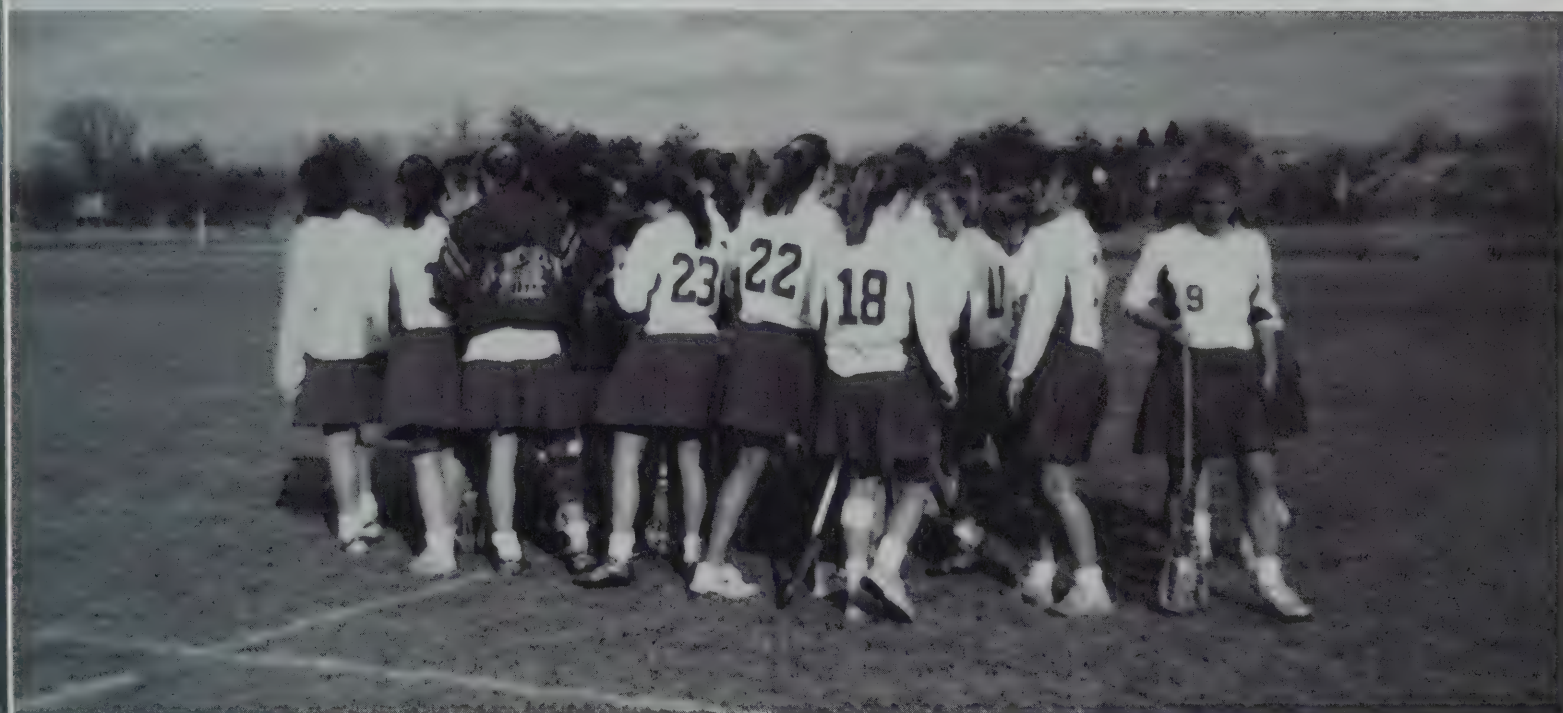

The most successful varsity sports program at SMC continued its way this spring, as the remarkable Women's Lacrosse team guaranteed itself its ninth consecutive winning season! Christine Sullivan '95 currently led the team in scoring with 21 goals and nine assists for 30 points. Amy Ford '93 was next, with 19 goals and three assists (22 points). Amy ended her season with 60 career points (46-14-60), and cracked the top 10 Lady Knight all-time scorers list. Edith Duncan '94 (18-3-21) and Sharon Dempsey (14-4-18) round out the team's top scorers. Goalkeeper Heather Ahearn '93 had been excellent in the SMC goal all season long, maintaining a goals against average of 9.63, and a save percentage of 64.7%. Her save percentage is not far behind the record percentage of 69.3%, set by Betsy Reilly '91 last season.

# BASEBALL

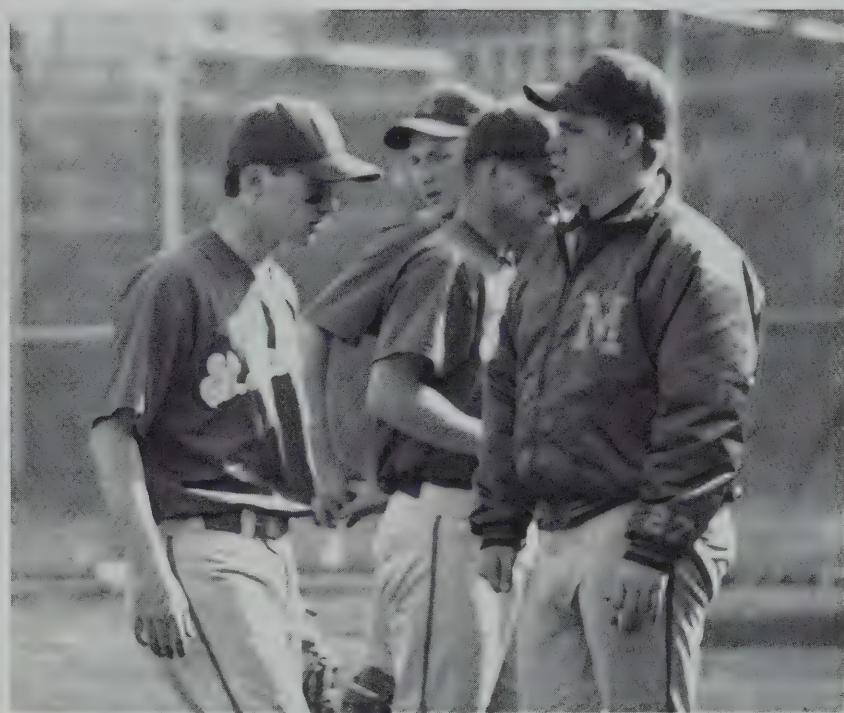

The hard work of head coach, Perry Bove, and his staff continued to pay big dividends as the Baseball Team (10-16-2) bettered last season's win total. In fact, the Knights' 10 wins in 1992 matches the College's 73-year old record for most wins in a season (last accomplished in 1919!). The program has made great strides in all areas of the game, but particularly in pitching. In 1990, SMC's first varsity season after the ten year hiatus, the team's earned run average was 11.74! This season, hurlers have combined for a 4.11 e.r.a- currently the third-best in the Northeast-10 Conference. Rob Russo '92 leads the mountain corps with a 4-2 record, a 2.20 e.r.a., and a Conference-high 51 strikeouts. Opposing hitters are batting just .165 against him. Rob is currently 5th in the nation (Division II) in strikeouts! Sophomore pitchers Mike Ryan (2.35) and Nick Koman (3.62) also boast sub-four earned run averages. At the plate, Rob Russo also leads the team, currently batting .316. Andy Starr '93 is just behind him at .313, with Chris Fredo '95 (.294), Sean Finnell '94 (.289), and Brendan Kelleher '95 (.280) fighting to hit .300. Brian Rayder '93 is among the Conference leaders in stolen bases and triples, and is currently ranked 12th in the nation in three-baggers.

## "Let's Walk Together"

Keryn Wood, Don Sutton, Rob Teas

The theme of the 1991-1992 Student Association was "Let's Walk Together." Lead by two year President, Keryn Wood, and Vice President, Robert Teas, the S.A. worked towards the goal of "making St. Michael's College a safer place to be." Over the course of the 1991-1992 year, the S.A. tackled the important issues of AIDS, alcohol awareness, racial diversity, and academic awareness.

A new Secretary of International Student Affairs was created on the Executive Board to better integrate students of differing cultures.

Attendance at this year's S.A. meetings was higher than usual allowing for more active and often more controversial discussions. The S.A. worked towards educating the campus on issues through open forum discussions and S.A. sponsored programs. The role of the Student Association as a campus educator caused its members to focus on St. Michael's as a community rather than an institution. The S.A. realized it was up to the students to educate and inform themselves.

# MOVE Core 1991-1992

MOVE stands for Mobilization of Volunteer Efforts. MOVE seeks to act upon the theoretical mission statement of Saint Michael's College, bearing out the words pertaining to the Gospel message of service. We are committed, like Margaret Mead, to the belief that we need "never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."

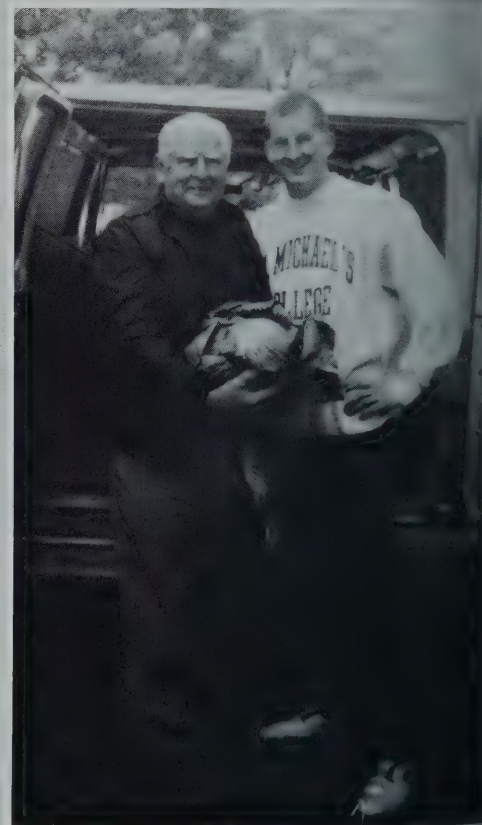

Julie Cronin acted as the first student coordinator for MOVE; Julie was followed by Brian Donahue in 1988. A 1988 graduate of St. Michael's College, Brian helped expand the MOVE program to work more fully and efficiently throughout the community. Presently, Neila Anderson-Decelles, also a 1988 graduate of St. Michael's College, is the Director of Community Service/MOVE.

Today, MOVE is a broad-based community service organization of the Office of Campus Ministry at St. Michael's College which strives to instill in each member of the community a sense of service to others. We hope to channel the talents, creativity, and energy of the St. Michael's community into service programs that will enrich the Chittenden County community, especially the poor and disenfranchised. These are global challenges on a local level.

MOVE responds to a variety of needs and therefore we administer the following programs: AIM (Athletes in MOVE), Adult Corrections, Juvenile Corrections, Physical Needs, Senior Citizens, Temporary Relief, Women and Family, Little Brother/Little Sister, Best Buddies, Youth Development, Winooski Recreation and Tutoring Program, Alternative Spring Break, Break Away (Alternative Summer Break), Special Projects, and First Resort (First Year and Transfer Student Programs).

# BACCHUS

BACCHUS is the organization on campus devoted to the promotion of responsible drinking. BACCHUS stands for Boost Alcohol Consciousness Concerning the Health of University Students. The SMC chapter of BACCHUS is one of nearly four hundred chapters nationwide whose philosophy is "based on the premise that young people play a uniquely effective role unmatched by professional educators in encouraging their peers to reflect on and talk about their attitudes and behaviors." Through the use of educational programs, speakers, and special presentations BACCHUS demystifies the role of alcohol in the college community. And, BACCHUS also sponsors events in and around the St. Michael's community such as sleigh rides and sunset cruises on Lake Champlain.

# PEACE AND JUSTICE

Amy Armstrong, Diane Figueiredo, Marc Vettinger, Celeste Viger, Tije Cunningham Missing: Linda Forbes, Gavin O'Shea

The Peace and Justice Committee of the Student Association is concerned with the many topics of interest to the St. Michael's community. Peace and Justice is responsible for bringing important social issues forward such as military aid to Nicaragua, domestic life in Central America, Rain Forest depletion, social equality, recycling, and many others.

# SMC Fire And Rescue

In April, Fire and Rescue celebrated its twenty-second year of service to the college and surrounding communities. Fire and Rescue provides primary ambulance and fire coverage to the towns of Winooskie, Williston, St. George, Hinesburg, parts of Colchester and Interstate 89 as well as the College campus.

The student-run, all-volunteer squads provide coverage 24 hours-a-day, 365 days a year.

All members are certified as Emergency Care Attendants. Many go on to take the 100 hour Emergency Medical Technician course as well as to become certified in intravenous therapy and defibrillation. Firefighters attend a variety of courses covering all aspects of fire science. St. Michael's Fire and Rescue staffs two ambulances, two pumpers and an eighty-five foot aerial ladder truck. The volunteers are ready at a moments notice to handle almost any kind of emergency.

## 22 Years Of Volunteer Service

# CHORALE

The Saint Michael's College Chorale is under the leadership of Dr. William Tortolano, a SMC professor for over thirty years. The Chorale sings various styles of music including Gregorian chant, African-American spirituals, contemporary popular songs, and classical standards.

The highlight of the 1991-1992 academic year was the trip to New York City where the Chorale also performed. Another memorable moment was the Christmas concert where the Chorale performed Mozart's Coronation Mass.

Members of the SMC Chorale perform at McCarthy Arts Center

# S.M.A.R.T.

S.M.A.R.T. stands for the St. Michael's Advisory Recycle Team. This volunteer organization is dedicated to educating the campus and the community about the importance of reducing, reusing, and recycling. S.M.A.R.T. currently recycles white, colored, and greenbar computer paper, and has instituted a recycling program in the dorms.

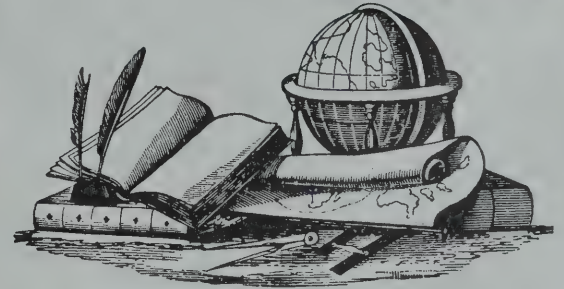

# EDUCATION CLUB

Front: Nancy Johnson, Michele Martin, Kim Smith, Robin Milo, Back: Andrea Napolitano, Holly Whitman, Tony DeGracia

The Education Club was formed to provide its members and others a variety of opportunities to develop greater awareness of contemporary educational issues. In its first year, the Education Club, along with its faculty advisor, Dr. Stockton, has sponsored a variety of speakers and workshops. Two of the founding members of the club are not pictured because they are studying abroad. They are Julie Riebling and Dan Bogden.

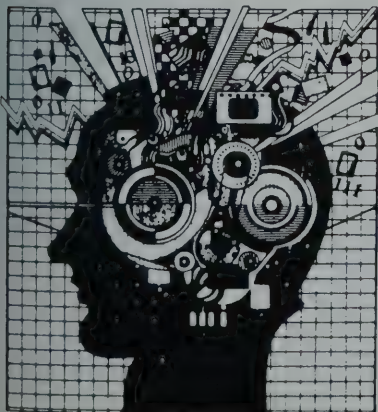

The executive members of the club are the following: Kim Smith, co-Chairperson; Robin Milo, co-Chairperson; Holly Wittman, Newsletter Editor; Nancy Johnson, Secretary; Michele Martin, Publicity Director; Tony DeGracia, Treasurer; and Andrea Napolitano, S.A. Representative.

# POLITICAL SCIENCE CLUB

The Political Science Club was active this year. In September, the club sponsored the Second Annual St. Michael's College Civil War Encampment which attracted twenty reactors and over six hundred spectators. In November, members of the club attended the 25th Annual University of Pennsylvania Model United Nations Conference where they represented Denmark. In March, members of the club attended the Wellesley College Model United Nations Conference. Anthony and Michael Buono won a Distinguished Delegates Award for their representation of the Vatican in the Organization of American States. Also in March, the club co-sponsored a lecture by Meron Benvenisti, a former Deputy Mayor of Jerusalem, with Peace and Justice.

# COFFEEHOUSE

Coffeehouse is a committee designed "to provide low budget and high quality talent on a regular basis and in various locations, providing an outlet for all students in in a non-alcoholic environment." This year, Coffeehouse held thirteen events which were all very successful. Co-chairpersons for first semester were Heather Hogan and Kim DeWitt. The majority of events centered around music, featuring artists such as folk singer Mary Brooks, student Matt Shippee, and alumnus Jay Monachino and Shawn King in "Different Strings". When Heather went abroad second semester, Kim booked musician Tom Acousti, ESP/hypnotist Ronnie Romm and magician Joe Martell. All events were successful, with audiences of 50-250 people.

Chairperson Kim DeWitt

# LEAP

The Leap "community" is an ever increasing part of the St. Michael's community. LEAP is a retreat weekend for young men and women between the ages of eighteen and twenty-five. The philosophy behind the weekend is giving love to others as well as receiving love from others. LEAP is an organization under campus ministry but it is primarily run by students. It is both a spiritual and self-discovery time to come to understand yourself and others through a supportive community. LEAP offers four weekend retreats: two in the fall and two in the spring. We warmly invite new members and thrive on seeing our community grow.

# THE RAT

Over the past few years we have all watched the Rathskeller evolve into an all-purpose function room, accomodating class meetings, coffeeshouse events, and other social gatherings like the Thanksgiving Party for the Best Buddies of the Little Brother Little/Sister program. The Rat provides such forms of entertainment as a fussbol table, billiards, radio listening, and social interaction. Highlights of the academic year included the 1991 Halloween Party and almost every Thursday night when students warmed up for downtown excursions or simply retreated to seek respite from hectic studies.

The Defender was published a record twenty times during the 1991-1992 year. The Society of Professional Journalists recognized The Defender as the best 1991 non-daily college newspaper in ten states, pushing the paper towards its goal to become more of a "news" paper. The Defender asked some controversial questions this year like: "Why doesn't St. Michael's have condom machines? Do you recognize this man (President Paul Reiss)? Why aren't faculty paying their parking tickets?" The Defender's major accomplishments include: the Twentysomething special section, a three part series on date rape, our Condomania issue, and a four-page photo essay called "48 hours at SMC".

# THE DEVIL'S ADVOCATE

Controversial

The Devil's Advocate is the alternative press at St. Michael's College. The Devil's Advocate's mission is to provide a forum in which any member of the community can express his or her perspective on any issue. The D.A. strives to represent the important diversity that exists at St. Michael's.

The D.A. tested the limits of its mission this year by including a condom in every third issue of its February edition. Needless to say, it proved to be a very controversial issue and it helped to keep the ball rolling for the debate over whether or not the College should install condom machines on campus.

The Devil's Advocate staff: Brendan Kinney, Jennifer Mathews and James Norcott, editors. James Gallagher, Tiffany Fabian, and Eric Koszalka make up the night shift crew. We also wish to acknowledge the large number of student and faculty contributors who really represent and make possible The Devil's Advocate.

Through strong leadership of the Executive Board PV brought us the best in new, alternative, and classic rock and roll.

## RESIDENCE LIFE STAFF

1991-1992 Residence Life Staff

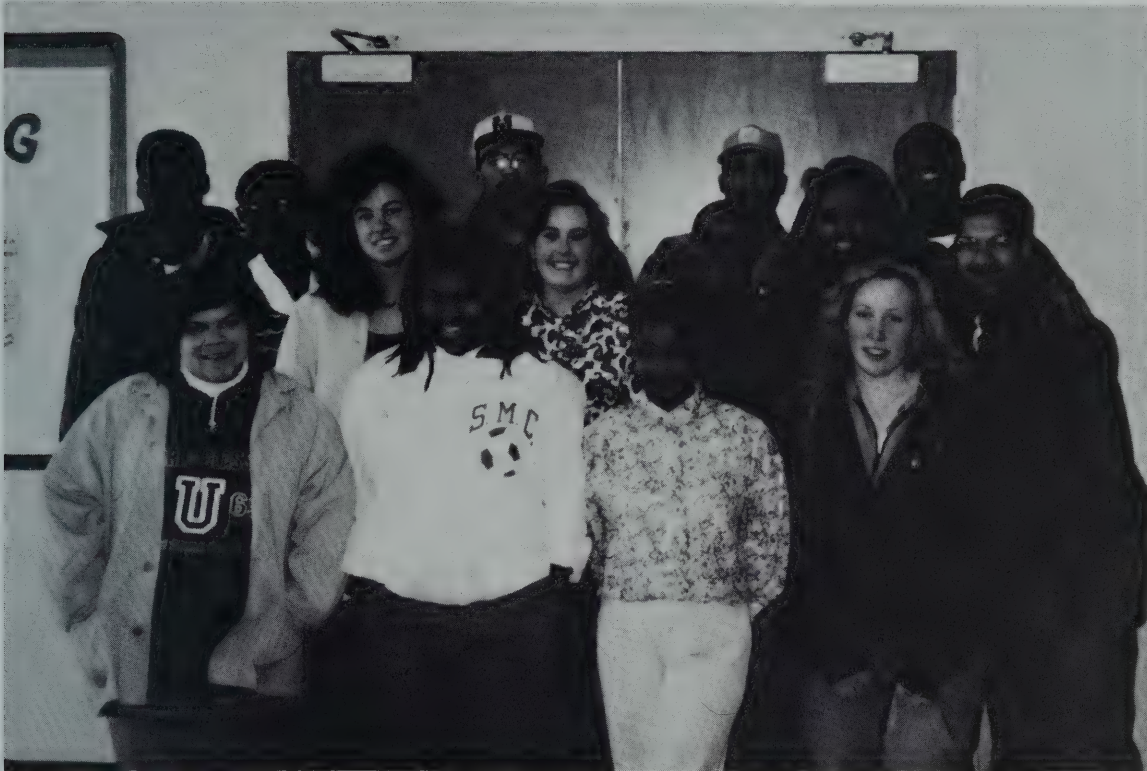

There are those who are content to conform with the majority, and there are those who dare to lead. The young men and women of the Residence Life Staff sacrifice their time and effort while succeeding in being the leaders of our college community. The Residence Assistants, Coordinators, and Directors are problem solvers who possess a firm hand for discipline and the compassion to understand.

## Danielle,

We wish we could describe to you exactly how it feels having a grown daughter like you.

Sometimes when we look at the independent woman you've become, it's really hard to believe that you were the little girl who used to jump rope and play with your dolls. When we see all the things you do, we wonder how "our baby" grew up to be this remarkable person.

Sometimes we're afraid you might not need us as much as you used to. But then, you'll throw your arms around us or call for advice and we realize that the bond between us will always be the same.

We love you and we want to tell the whole world, "That's our daughter. She's made us very proud."

Love,

The family "Z" salutes you! Four years at Saint Mikes was no simple jog through the quad. Receiving honorable grades required excruciating weeks, months and years of endless study and torturous hours of negotiation with Saint Mikes professors and administrators.

Oh! how you envied friends and foe who skied the moguls, wine, dined and partied until dawn do us part. And...more envy to students who were blessed with unquestionable lines of credit, trips to foreign lands and visits to numerous and memorable resorts across the country.

Imagine the pleasure when you reminisce with your kids about how tough it was going to college way back in 92. You might want to sip on a malt with the little ones and break out with an oldie such as "I DID IT MY WAY".

# THE BEST YEARS . . .

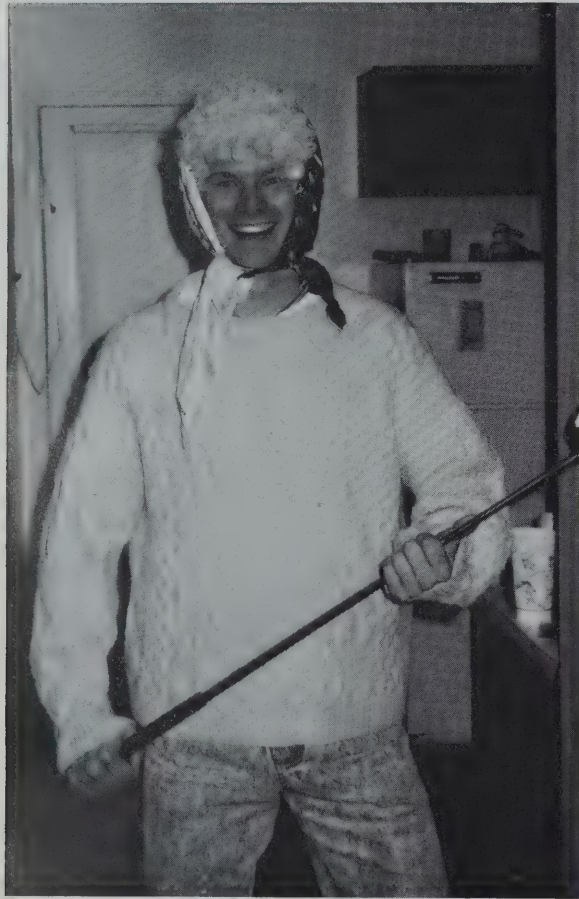

# . . . OF OR LIVES

*Those Who Live In Our Hearts  
Will Be With Us Always*

*We Cannot Control The Moment Of Time,  
Nor Can We Control Our Own Destiny  
Or The Destinies Of Those We Love.  
But We Can Take Comfort In Knowing  
That Those Who Have Lived In Our Hearts  
Are Never Really Gone.  
For As Long As We Keep Them With Us,  
In Our Hearts And Our Thoughts,  
They Will Be With Us Always.  
For Love, Which Is Timeless,  
Never Ceases To Exist.*

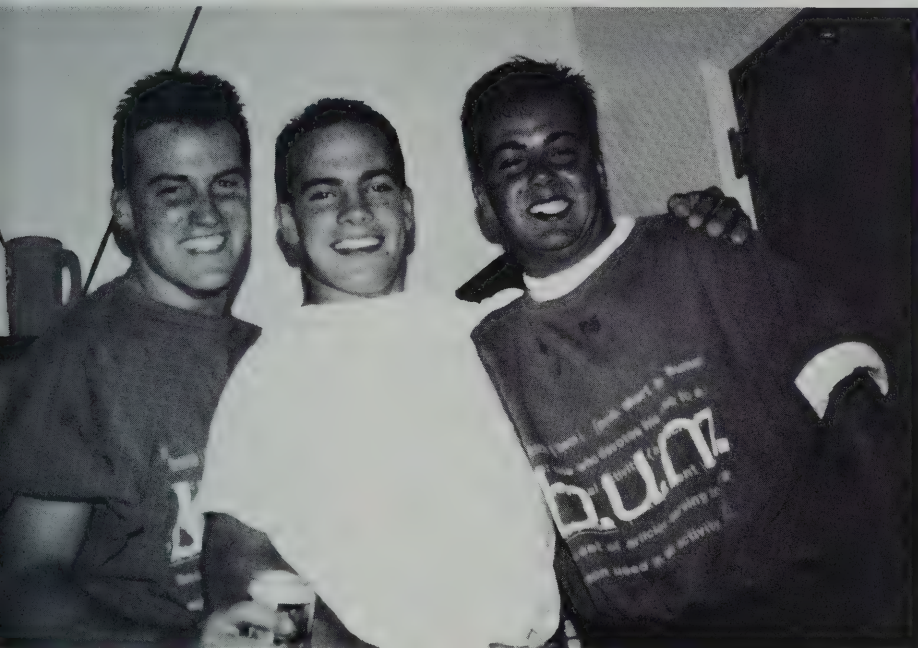

*S.E. Mac Naughton*

*In Memory Of*

*Eric Goodwin*
